Great - thanks! We are good on our end and Margaret Roy says that Larry can do it at 11 am. She is working with him today at TCEQ Austin.

Thanks for your flexibility with this.

Raji - I think the issue with my daughters graduation can be resolved if we can move the call to 11 am. Can you do that and, if so, check with the others? I think our folks can do it.

Thanks  
Matt
